

32nd Annual Women In Medicine Breakfast
Keynote Speaker: Tara Kumaraswami, MD, MPH

Bio:

Dr. Tara Kumaraswami started her medical training here in Worcester at UMass Medical School and went on to pursue Residency in Obstetrics and Gynecology here in the UMass OBGYN program. She then went on to pursue Fellowship at the University of Illinois in Chicago in Complex Family Planning. During Fellowship she had the opportunity to work abroad in India and Bangladesh with International Planned Parenthood. She also completed her Masters in Public Health. Since coming back to UMass 11 years ago Dr. Kumaraswami started a Family Planning service that provides complex contraceptive care, alongside miscarriage management and abortion care for the patients of Central Massachusetts.
